The Open University

Diploma of Higher Education in
Computing and IT (W36)

The College of West Anglia, in collaboration with The Open University, are pleased to provide a unique offering at University Centre West Anglia (UcWA).

We are providing the opportunity to study the Diploma of Higher Education in Computing and IT with a Cyber Security & Networking focus.

This 2-year qualification will provide the same flexibility offered to Open University students, along with regular in-person sessions here at University Centre West Anglia.

This full-time study qualification is suitable for students wanting to retrain or enhance career prospects within the IT industry, *specialising in Cyber Security*.

Modules at each stage are spread out over 12 months to fit in with work, social and family life.

To sign up for this qualification, then you should contact UcWA directly.

https://cwa.ac.uk/apply

☑ Qualification awarded by The Open University

☑ Regular in-person sessions at University Centre West Anglia

☑ HE opportunities which are close to home

☑ Flexible blend of online and in-person study

☑ Access to resources within UcWA and The Open University

☑ Eligibility for Maintenance Loan

☑ Completion of Open University modules allows the option to top-up to a BSc (Hons) in the future
