PHOTOGRAPHY INFORMATION

It helps to plan ahead

Create a lasting memento of your graduation

Certificate and portrait frames. Our hand crafted certificate, matching photograph and combination frames are available in a range of classic or contemporary finishes and are produced from solid wood sourced from managed forests. They are produced from pH neutral card to protect your certificate from discolouration. We will mail your frames direct to your home.

Please note: all frames are supplied with acrylic glass for safety reasons. Frames and mounts may vary slightly from those pictured.

Having your photographs taken

To enable you to spend more time with your family and friends after the ceremony, our studios are open as soon as the gowns are available so that you can have your portrait taken early (scrolls are provided for this purpose).

Photographic suggestions

Glasses: we would suggest that you consider not wearing glasses for your portrait as they tend to cause reflections in the photograph. If you are in doubt please consult your photographer.

Appearance: please note that you are responsible for your own appearance – please check your hair and attire

before having your portrait taken. We provide mirrors for you to use.

What to wear

For men, a dark single-breasted suit or jacket, together with a shirt and tie always looks good. Ladies will find that a front buttoned blouse or some means of securing the hood in place, such as a brooch, is always helpful.
