If you are over the age of 19 and are entitled to your course for free, please do not purchase your equipment until you have enrolled. Once you are enrolled you will receive a certificate to purchase your kit; unfortunately equipment purchased without this certificate will not be refunded. PLEASE NOTE, only essential Technology clothing and safety boots will be provided by this fund. For more information, please contact Student Services on (01553) 815 271.

Faculty Contacts

For further information regarding Kit Lists, please contact the relevant Faculty Administrator:

King's Lynn Campus	Kerry-Jane Rush	01553 815 575	Kerry.Rush@cwa.ac.uk
Wisbech Campus	Laura Chambers	01945 468 310	Laura.Chambers@cwa.ac.uk

Student Services

For information and advice on course-related services such as transport, financial help and course fees, please contact Student Services: email **admissions@cwa.ac.uk** or telephone **(01553) 815 271**.

CWA Online Store

Kits are available to purchase from our Online Store: **cwa.ac.uk/online-store**

▪ **Clothing and Safety Boots**

From the CWA Online Store home page, select 'Clothing - King's Lynn' / 'Clothing - Wisbech' (as appropriate) and you will be redirected to a third party website - LA Clothing Solutions. On the LA Clothing Solutions website, select 'Technology' and then place your order. You will be able to track your order to the address of your choosing. All deliveries are expected to be made within ten working days, but please expect delays at peak times.

▪ **Stationery etc.**

From the CWA Online Store home page, select 'New Starter Kits', 'Technology' and then place your order. New Starter Kits will be distributed to students as soon as possible at the start of the first term.

Please ensure that you place your order early to allow extra time for processing at peak times.

Equipment Required for Maths Subjects

It is vital that students studying GCSE or Functional Skills Maths subjects bring the following essential equipment to their Maths sessions:

- Calculator (*not mobile phone*) - a scientific calculator will be required for GCSE Maths (*we recommend Casio FX-83GT Plus*)
 - 30cm ruler (graduated in centimetres and millimetres)
 - Basic geometry set, to include: Protractor; Pair of compasses
 - Pen
 - HB pencil
 - Eraser
-

Additional Information

For health and safety reasons, you will be required to have steel toe cap safety boots and the relevant essential clothing (if applicable, see overleaf) before you can take part in any workshop activities. When trying on clothing, please bear in mind that you will need to be able to stretch and move freely whilst working, and therefore your clothing should not be too tight or fitted.

Rigger boots are not permitted for health and safety reasons.

You do not need to purchase items that you already own.

All prices are approximate and subject to change.

We do not accept responsibility for items purchased from suggested external suppliers.

Teaching will commence on the first day of induction. Failure to be in possession of essential kit at the start of the course will demonstrate lack of commitment and put your place at risk.

Any student attending lessons without the correct equipment may be subject to disciplinary action and sent home.
