## **Student Services**

For information and advice on course-related services such as transport, financial help and course fees, please contact Student Services: email **studentservices@cwa.ac.uk** or telephone **(01553) 815 271**.

---

## **Ordering Kit**

### **Stationery Kits, Earphones and Safety Glasses:**

Eye protection must be worn in all our Technology workshops. To ensure your eye protection conforms to the relevant safety standard, **we require all students to purchase their safety glasses from the CWA Online Store**. The 'Wraparound Adjustable Clear Safety Glasses' will be suitable for the majority of students. However, students who normally wear prescription glasses will need to select the 'Overspec Clear Safety Glasses' option.

Stationery starter packs are also available to purchase from the CWA Online Store: <https://cwa.ac.uk/store>

From the CWA Online Store home page, select 'Course Essentials', 'Course Equipment & Stationery', 'Construction and Engineering', then browse the available items and place your order. CWA Online Store orders will be distributed to students as soon as possible at the start of the first term.

**Please ensure that you place your orders early to allow extra time for processing at peak times.**

---

## **Additional Information**

You do not need to purchase items that you already own.

All prices are approximate and subject to change.

We do not accept responsibility for items purchased from suggested external suppliers.

Teaching will commence on the first day of induction. Failure to be in possession of essential kit at the start of the course will demonstrate lack of commitment and put your place at risk. Any student attending lessons without the correct equipment may be subject to disciplinary action and sent home.
